Trading Update

Quartix Holdings plc, a leading supplier of subscription-based vehicle tracking systems, software and services in the UK, reports that it will publish interim results for the six month period ended 30 June 2015 on Wednesday 29 July 2015. The Company is pleased to report that trading to date is in line with expectations and consistent with achieving market expectations for the year as a whole. Quartix's interim results will be posted on the Company's website the same day, together with accompanying presentations.

Andy Walters, Managing Director, commented: "We made good progress in all markets, ending the period with over 7,100 fleet clients and 66,700 vehicles under subscription. Our base in the USA grew from 124 to 470 customers, which is particularly encouraging. Insurance installations also showed strong progress compared to the same period in 2014. We continue to invest in marketing initiatives to drive growth in our core fleet markets, and remain on track to meet profit expectations for 2015."
